

Press Release: The Clear Creek Education Foundation Inc. hosts the Colorado School Foundation Association

June 29, 2006, Idaho Springs, Colorado ~ The Clear Creek Education Foundation Inc. hosted a meeting of the Colorado School Foundations Association (CSFA) on June 29, 2006. The CSFA is an 11 year old affiliation of public school education foundations. The group meets to share ideas, mentor new executive directors and help newly created foundations develop fund raising strategies and program funding ideas. This year the foundation sponsored the creation of a Support Public Education license plate which will be available for purchase in January, 2007.

"The Clear Creek Education Foundation is pleased to be part of the CCEF, and we appreciate all of the support and help other members have given to our foundation," said Carol O'Brien, executive director of The Clear Creek Education Foundation Inc. "Their experience has smoothed the way for the re-establishment of our foundation."

"We would also like to thank Chip Bair and the staff at Beau Jo's Legendary Pizza for sponsoring the event," said O'Brien. "They are always generous in their support of our efforts and we are very appreciative."

In attendance were executive directors from Aurora, Boulder, Cherry Creek, District 50, Clear Creek, Douglas, Englewood, Jefferson, Littleton, and Mapleton School Districts.
